

Where hope and healing begin.

Introduction

Thank you for your interest in doing business with The Center for Healthcare Services. Your involvement as provider of goods and services for the Center is critical in meeting its operation and mission to serve Bexar County as the Local Mental Health Authority.

The Contracting & Procurement Division serves as your primary point of contact when the purchase of goods and services are required for the Center and will help you navigate and understand the Center's procurement processes, including how to pursue Center contracts. It will also highlight the rules, regulations, and laws that govern the Center's procurement process to ensure you successfully compete and succeed as a vendor for the Center.

HUB & S/M/V/WBE Advocacy

The Center is dedicated to serving small, minority, veteran and women-owned business enterprises (S/M/V/WBEs) by ensuring all businesses have a full and equal opportunity to compete for Center contracts. The Center's Advocacy program allows up to five (5) evaluation points to be awarded to Small, Minority, Women-owned Business Enterprise prime respondents. This tool helps S/M/V/WBEs be more competitive on Center solicitations.

Submission of Bids

Bids and proposals must be received at The Center's Central Administration Office prior to the due date and time or they will be considered non-responsive. Bids and proposals received after the due date/time will not be accepted. The Center's Central Administration Office is located at:

6800 Park Ten Blvd.
Suite 200-S
San Antonio, Texas 78213

Evaluation & Award

It is the policy of the Center to purchase from suppliers that have the ability to provide materials and/or services that consistently meet the Center's requirements. The Center will select the bid that provides the best value to the Center. Best value shall be determined in accordance with the factors included in the Texas Administrative Code Section 412.55(b).
