Dear Community Partner,

The Center for Health Care Services (CHCS) and The CHCS Foundation are pleased to host the 24th Annual Behavioral Health and Wellness Conference on **Friday, May 29, 2026**, at the **Norris Conference Center**. This free community event brings together individuals and families impacted by mental illness, substance use disorders, and intellectual and developmental disabilities for a day of education, resources, and connection.

For more than two decades, this conference has served as a trusted space where community members access expert-led workshops, vital services, and meaningful support. Access to reliable information and local resources strengthens families and promotes long-term wellness across Bexar County.

This year's conference is especially significant as it aligns with CHCS's 60th Anniversary, marking **six decades of expanding access to behavioral health care in our community**. We are proud to continue this legacy and to partner with businesses that share our commitment to community well-being.

We invite your organization to join us as a corporate sponsor. Your investment directly supports the ability to provide this conference at no cost to attendees while demonstrating your company's leadership in advancing behavioral health awareness and access. Sponsorship also offers valuable **visibility and engagement opportunities with hundreds of community members, professionals, and local leaders**.

The conference will feature dynamic workshops led by subject matter experts, a resource fair with more than 40 exhibitors, an inspiring keynote luncheon, and continuing education opportunities for professionals. Additional keynote details will be announced soon.

We hope you will consider partnering with us to make the 24th Annual Behavioral Health and Wellness Conference our most impactful yet. Together, we can strengthen the health and resilience of individuals and families throughout Bexar County.

Kindest Regards,

Jelynne LeBlanc Jamison
President and CEO

BEXAR COUNTY BEHAVIORAL HEALTH & WELLNESS CONFERENCE SPONSORSHIP PACKAGE

About Us

The Bexar County Behavioral Health and Wellness Conference connects people and families living with mental health or substance use disorders to valuable information and local resources that can help them on their road to recovery.

What Your Sponsorship Provides

Community Resource Fair

Our conference features a vibrant Resource & Exhibitor Fair with more than 35 local organizations providing mental health, behavioral health, and wellness services to the community. This space connects attendees directly with providers, advocacy groups, and support programs that can make a difference in people's lives.

Educational Sessions & Professional Development

The conference offers over 30 educational sessions throughout the day, led by local experts and practitioners in mental health, substance use recovery, and overall wellness with some offering **Continuing Education Units (CEUs)**. These sessions range from skill-building workshops and informative presentations to interactive experiences such as meditation and wellness practices.

Keynote Luncheon Experience

Each year, the conference brings attendees together for an inspiring Keynote Luncheon featuring a respected speaker in the fields of behavioral health, wellness, or community advocacy. The keynote sets the tone for the day, offering powerful insights, motivation, and real-world perspectives that resonate with professionals and community members alike.

Visibility & Community Recognition

Sponsoring the Bexar County Behavioral Health and Wellness Conference provides valuable visibility for your organization while demonstrating a strong commitment to community well-being. Sponsors receive recognition through advertising in our conference program, signage displayed throughout the event, and opportunities to include branded materials for attendees.

INVESTING IN YOUR BUSINESS

Your support ensures that behavioral health care remains within everyone's reach. By donating, you not only uplift the Bexar County community, but you also make a meaningful investment in your business. Last year's conference attracted nearly 600 attendees, and sharing what makes your organization unique will truly set you apart.

INVESTING IN YOUR COMMUNITY

When you invest in our mission, you support prevention, recovery, and long-term community wellbeing. With our youngest consumer being 3 months old, your donation is critical to helping the most vulnerable in your community. Your donation ensures that no one in our community faces their challenges alone.

Don't need an exhibitor space, but still want to support our conference?

Sponsor a non-profit's table for only \$50!
